Zoom Policy

On-line classes or workshops – requirements and testing your device prior to event.

Prior to the class, an e-mail invitation will be sent to you. Use the link in that email to join the meeting. Please test it prior to the day of the class to trouble shoot any issues beforehand. If you have problems, please contact me, several days before class. If I can assist you in resolving issue, I will. I am just a host for the meeting and not a Zoom technician.

Being able to use Zoom is the participant's responsibility and not the host's responsibility.

For best results use tablet, laptop or desktop for course. You will need to select **joining via computer** on Zoom. You will need video and audio features to participate in the class.
